

Hello From ORTHOFIX®!

Are you interested in learning more about Orthofix?

You are cordially invited to attend Orthofix's Virtual Diversity Information Session. Orthofix is one of the leading medical device companies in the world with a spine and orthopedics focus.

The Diversity Information Session is an opportunity for Orthofix to showcase our organization, our products, our internship program and future career opportunities.

During the event, our leaders will provide insight on their respective departments, the skills needed to break into the medical device field, and highlight some of our current job openings.

Departments that will be highlighted include but are not limited to:

Quality

Accounting/Finance

Sales Marketing

Engineering

IT

Thursday, September 22 at 2:00 - 3:00 p.m. CST

Participants can register for a session by clicking the link below:
